

## Create your own town

Now you have your car and your bus it's time to create a town for them to drive around in!

For this you will need:

- Paper/Cardboard
- Pencils
- Felt Tips
- Ruler
- Rubber

- 1.** Find a cardboard box and flatten it. If you haven't got one use paper instead! **Hint:** You can make the town bigger by gluing sheets/flattened boxes together.
- 2.** Draw your roads. Make sure they are big enough to fit your car and bus on!

3. Now you can start building your town. Make sure to include buildings and parks and make it as colourful as possible! **Hint:** You can draw this onto the town or make it 3D using thing such as card, pompoms and paper! Make sure you include a school, shop, hospital and houses!
