

SUMMER OF SENSES

TACTILE THURSDAYS

Tactile Tour

11:30 – The Family Activity Station

Come along to admire the Museum's collection on a tour with an exciting added twist! On this special tour you'll be able to get even more up close to some of our vehicles, getting hands on and exploring the wide range of different textures. Suitable for all ages.

Classic Car Rides

11:00–12:30 & 14:00–15:30 – Outside the Museum Entrance

This is a rare chance to experience one of our classic cars from the collection by being taken on a ride around the outside of the Museum with one of our team. Suitable for all ages.

Artefacts Unboxed

10:00 – 12:00 & 13:00 – 15:00 – Automobilia

An exclusive, hands-on Museum experience where the history of the British motor industry comes to life! Beyond the glass cases you can literally feel the weight of history in your own hands as you explore a curated selection of artefacts from our collection alongside our expert Curators. Suitable for 4+ years.

SUMMER OF SENSES

TACTILE THURSDAYS

RC Racers

10.30 – 15.30 – The Learning Hub

Test out your driving skills on a mini scale as you drive remote controlled Aston Martin cars around the custom track in the Learning space. There will also be a small circuit for children under 6!

Senses Family Trail

Every day

Senses Family Trail will lead visitors on a journey of discovery around the Museum using touch, sight, hearing & smell! Suitable for all ages.
